

Online Brokerage with mobile features

On-demand access to accounts, positions, and balances

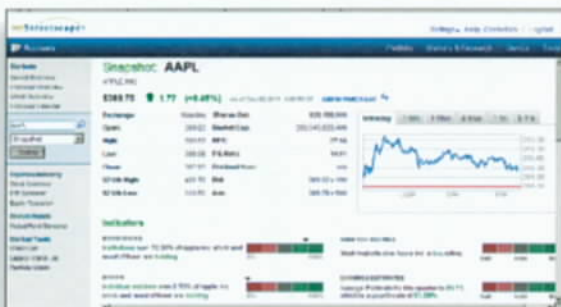

By enrolling in your Online Brokerage Account, you get 24/7 access to your account information so you're more informed and can better work with your financial advisor to help you reach your goals. In addition, you can stay connected to your brokerage account online or on your mobile device or iPad® with the convenient mobile app, giving you access virtually any time you need it.

You can customize the layout of your Account Positions screen to sort and filter the data you want to focus on.

The Market Overview screen offers you access to robust tools, including new investment screens.

The Snapshot view provides detailed company information and overview data.

Quick access to your account information

- Access your accounts, positions, and balances
- A customizable positions and history page enables you to display your account data the way you want to use it
- Sort and filter your holdings with a click of your mouse
- Get real-time order status updates and two years of transaction history

Robust market data and research tools

You'll have access to a broad range of information you can use to track your portfolio and gain insight into market events, including the following:

- Dynamic charts and analytics
- Powerful investment screeners
- Detailed investment profile reports
- Comprehensive company profiles and fundamentals
- Interactive world overview perspective with drill-down exchange data by country
- Economic overview with one-click access to a five-day economic calendar

Access key documents

With your Online Brokerage Account, you'll always have access to your account history, including the following:

- Ten years of statements
- Seven years of trade confirmations
- Up to seven years of tax documents¹
- Three years of customer correspondence

In addition, you can seamlessly import your 1099 forms into TurboTax®.

Go green by going paperless

Sign up for eDelivery to simplify your recordkeeping with electronic storage of statements, trade confirmations, prospectuses, shareholder reports, and other eligible correspondence. You'll receive an email letting you know that a new document is available for viewing.

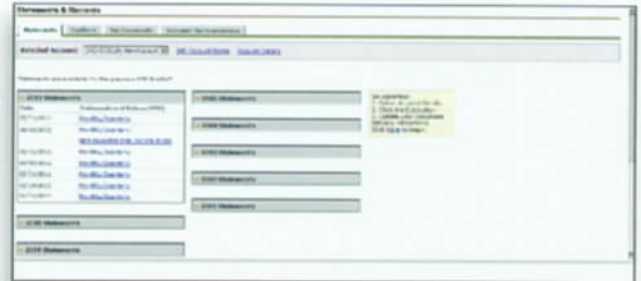

Stay connected with the myStreetscape® mobile app

Tap into your Online Brokerage Account when you're on the go. You can view your positions, balances, and transaction history from your iPhone®, iPad®, Android™, BlackBerry®, and other smartphones. You can also quickly and easily deposit checks into your brokerage account straight from your mobile device.²

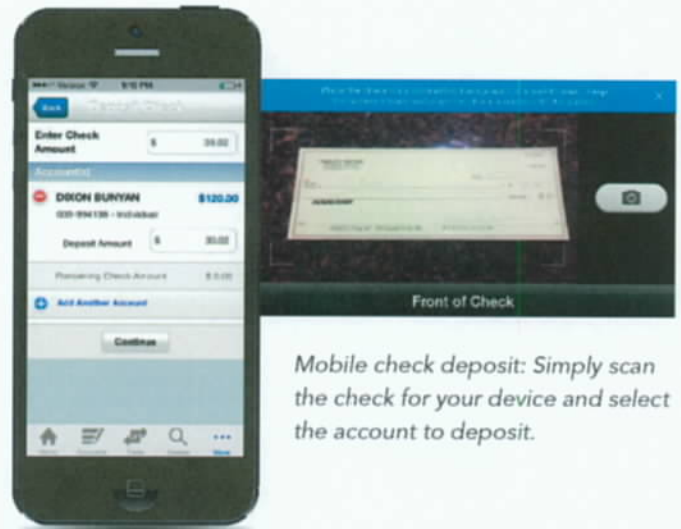

Get the app

Scan this code with your phone or mobile device to get the app.

Sign up for eDelivery to help simplify your recordkeeping and reduce clutter.

Mobile check deposit: Simply scan the check for your device and select the account to deposit.
